Re: Rental Application Requirements

The application fee will be returned to applicant, only if the application is denied for a reason other than those stated below. Otherwise, the \$35.00 application fee is non-refundable, including when false or misleading information is given on the application.

The \$100.00 deposit paid to hold an apartment is refundable if the application is denied for any reason, unless tenant fails to be truthful while completing the application process. Once tenant is notified that the application has been accepted, the deposit immediately becomes non-refundable.

**Minimum Income Requirements are as follows:**

Studio	\$1,897.50
1 BR (lower level)	\$2,135.00
1 BR (upper levels)	\$2,215.00
2 BR (lower level)	\$2,400.00
2 BR (upper levels)	\$2,480.00
3 BR	\$3,170.00

**All rental applications will be judged on the following criteria:**

**Rental History**

Applications with Evictions or UD's (Unlawful Detainers) within the past five years may be rejected. An Eviction or UD older than five years remaining on the records with an amount owing to another Landlord may also be rejected. Tenants must have good rental history following the last Eviction or UD.

All other aspects of rental history will be taken into consideration, including but not limited to: timely rental payments, proper notice given, lease violations, number of late payments, payment rating/history, housekeeping, pest infestations and balances owing.

**Credit History**

Sibley Manor Apartments does not have a minimum Credit Risk Score requirement. Credit history will be judged on the number of total credit accounts, positive/negative account ratio, delinquent accounts, total balance owed and income to debt ratio.
